LIFE — IT'S WHAT'S HAPPENING

A small portion of our life is spent in Capac High. Now, in our youth, we look to the future, but all too quickly we'll be looking back to our high school days.

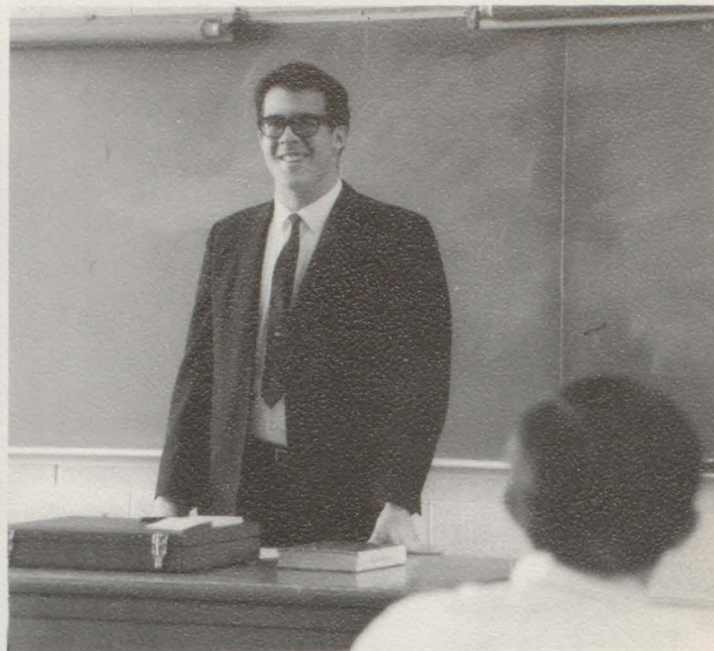

Our life has been composed of a little work, a little sleep, and a little love. We must enjoy it completely, for too quickly it is over.

FACULTY

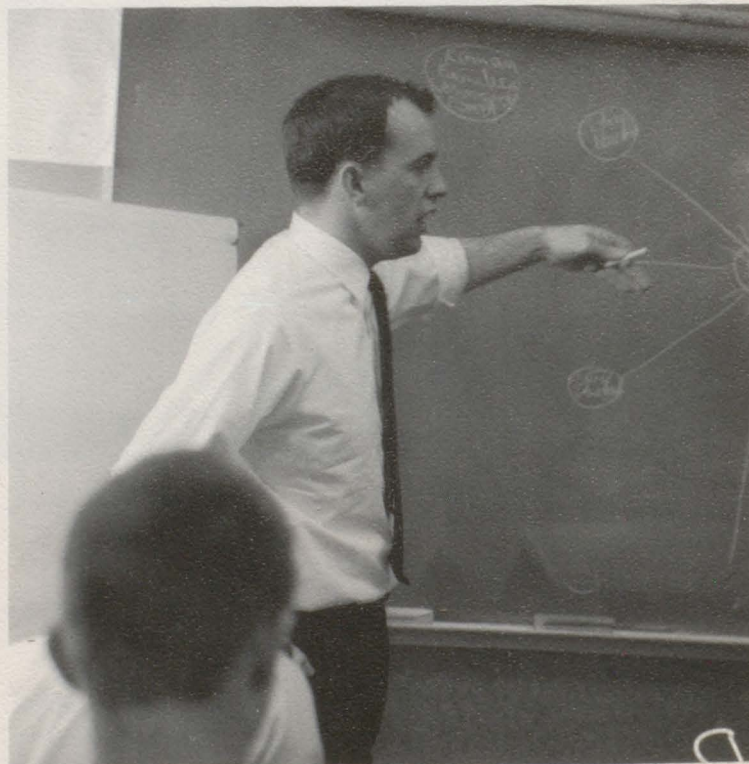

Mr. John Truax, Science and Math

Mr. Ron Huntley, Biology and Athletics

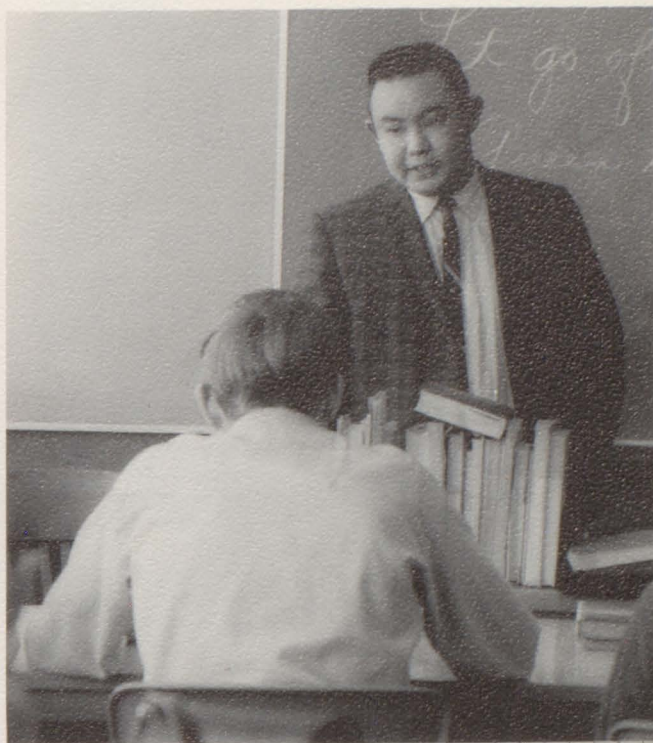

Mr. Donald Christie, Math

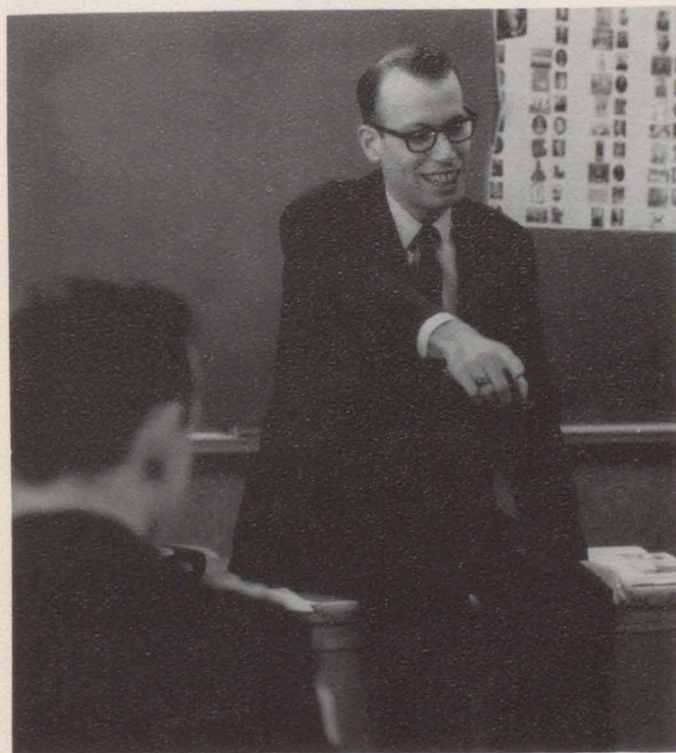

Mr. Gerald Brown, World History and Chemistry
